

2nd

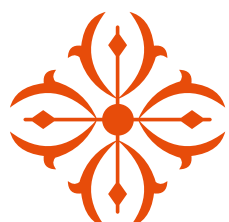

Anusandhan-2026

January 3-5, 2026

IISER Tirupati is pleased to announce 2nd Anusandhan-2026 Symposium, to be held from 3-5 January 2026. This symposium will provide a distinguished platform to present and discuss recent scientific innovations under the theme

“Interdisciplinary Aspects of Disease Biology.”

BOSE INSTITUTE

বসু বিজ্ঞান মন্দির

The program is designed to facilitate cross-disciplinary dialogue and promote convergence between basic and applied sciences. Key focus areas will include innovation in entrepreneurship, science policy and leadership, healthcare technologies, sustainable development, research ethics, and emerging applications of AI/ML. The symposium will also feature networking opportunities, panel discussions, and poster as well as oral presentations.
