

National Science Day 2024

Bose Institute will celebrate National Science Day (February 28, 2024) on this year's theme of Indigenous Technologies for Vikshit Bharat. As part of the event, the Institute will conduct an open house program from 11 a.m. - 2 p.m., and, in addition, there will be a mini-symposium from 3 p.m. - 5 p.m. on "Technologies developed in Bose Institute" with distinguished speakers from various branches of science.

All are cordially invited.
