

**BOSE INSTITUTE**  
**KOLKATA**

**NF-kappaB-mediated gene regulation:  
roles of enhancers, promoters, weak  
κB sites and cofactors in the  
recruitment of NF-kappaB to DNA**

*Keywords: Transcription, NF-κB, DNA-protein interaction, Regulation of Gene Expression*

*Date: 03/09/2024, Time: 3:30pm,*

*Venue: Main Auditorium, Unified Academic Campus, Bose Institute,  
EN 80, Sector V, Bidhan Nagar, Kolkata 700091*

***Gourisankar Ghosh, Ph.D.***

***Professor, Department of Chemistry and Biochemistry,  
University of California San Diego.***

*Host: Jayanta Mukhopadhyay, Department of Chemical Sciences, Bose Institute*
