

The Hon'ble Secretary, Prof. Karandikar, visited the Main Campus of Bose Institute, Kolkata in the evening on November 29, 2025. He took the Heritage Trail around the campus, offered floral tributes at the Samadhi of Jagadis Chandra Bose, and visited the historic Lecture Hall, followed by the D. M. Bose Museum and the J. C. Bose Museum. He was deeply impressed by the exhibits and captivated by the fascinating history associated with each of them. We were honoured by his gracious presence in our Heritage Campus, established in 1917.
