

The First year students of B. Pharm. of Guru Nanak Institute of Pharmaceutical Science & Technology (GNIPST), accompanied by their Faculty members visited the Main Campus and J.C. Bose Museum, Bose Institute on 18.09.2025. It was a part of their Students Induction Program. The educational visit aimed to provide the students with an opportunity to explore scientific advancements, innovations, and their applications in real life. Prof. Gaurab Gangopadhyay, Chairman, Department of Biological Sciences interacted with the students giving an overall view of the researches carried out in Bose Institute. Movies on past and present researches at Bose Institute were screened in the Lecture Hall of Main Campus. After this, the students were taken on a guided visit to the J.C. Bose Museum and a walk around the Main Campus, including the Samadhi. For the students, the visit was " *A lifetime experience, the best place for knowledge and inspiration*".
